

EARTH

DESIGNED BY ÉMILIE CATHELINÉAU

Un cœur lumineux, serti d'un métal ajouré de manière extrêmement fine ou d'un disque plein, confère à cette collection une touche Art déco. Du clair-obscur au moucharabieh, les idées de composition sont variées.

This wall light, with an illuminated center, assembled with an extremely fine openwork or a fully covered piece of metal gives this collection an Art déco style. From semi-darkness to a patterned light source, arrangements can vary.
