tavolino \ coffee table

Dalle rimembranze esotiche, Ropu si distingue per la bordatura intrecciata in cordino di cuoio nella versione per interni, o “Gassa” per gli esterni, che corre lungo il perimetro creando una cornice per top in marmo, vetro retroverniciato, grès porcellanato e HPL oppure soffici cuscini con profili a coda di topo. Con base a quattro gambe in metallo, la collezione è disponibile nella versione tavolino basso con piano rettangolare o alto con piano tondo e pouf rettangolare, da abbinare in libere composizioni.

From exotic remembrances, Ropu stands out for its sophisticated woven border in hide rope, for indoor spaces, or “Gassa” rope, for the outdoor; running along the perimeter structure creating a frame for marble, back-painted glass, ceramic and HPL tops or soft cushions with mouse-tail cord profiles. With a four-legged metal base, the collection consists of a low coffee table with rectangular top or a high coffee table with round top and rectangular pouf, that can be combined in the desired compositions.
