

Mono cylindre^{*}

Designed by Frédéric Gaunet

*Mono Cylinder

Created by designer Frédéric Gaunet, the Mono Cylinder throws light on all of TOLIX®'s experience and expertise in assembling, stamping, folding and welding aluminum and steel (for the stand). Original and hybrid in style and ingenious in design, the Mono Cylinder turns 360 degrees on itself. Five shelves provide ample space for storage. Also available in a Bi-Cylinder version, find it only in «Mat Fine Texture» finishes in the ESSENTIELS and TENDANCES color palettes.
